# SET YOUR CHOIR APART FROM THE REST

## DESIGN YOUR OWN COSTUMES

Dornink, a custom design fashion house in Des Moines, Iowa, can create your show choir costumes to perfectly complement your set.

Choose from our many styles or design your own and let us make your vision a reality. Dornink styles can be customized to fit your set and your budget.

Dornink has over 19 years experience creating show choir costumes for schools throughout the Midwest and beyond.

Founder Faythe Dornink began custom sewing costumes for her daughters in show choir in 1992 when she realized their need for a unique look. Since then, designer & daughter Sarah Dornink, educated and trained in New York, has joined the business. Sarah and Faythe will personally work with you to custom design your costumes and create the perfect set.

### ORDERING

To order your show choir costumes, please complete our online order form and email it to [showchoir@dornink.com](mailto:showchoir@dornink.com) or fax it to 515.864.0011. Dornink will confirm your style, fabric and color choice. Orders will be put into production only when deposit, complete sizing and a signed order confirmation are received. To discuss your custom costumes with our designer, call 515.255.7528 or email Sarah at [showchoir@dornink.com](mailto:showchoir@dornink.com).

### PAYMENT

Dornink requires a 50% deposit on all orders and the balance due before garments are shipped. Dornink accepts checks and all forms of credit cards.

### PRICING

All garment prices are based on orders of 20 pieces or more. Prices may increase if ordering fewer than 20.

### LEAD TIME

All garments are made to order, which take a minimum of 6-10 weeks for production. Rush fees may be applied to orders with shorter lead times. Dornink is not responsible for delays due to weather, shipping conflicts or unforeseen situations.

### CUSTOM STYLES

Work with our design team to create a unique look for no additional fee. Please allow an additional 4-6 weeks for custom styles. All patterns developed and manufactured by Dornink are the exclusive property of Dornink.

### SAMPLES

Sample garments are the best way to determine size and can be ordered for \$150 per style. This cost is credited to your account when the order is placed and the garment is returned. Fabric swatches and color cards are provided by request at no charge. Allow an additional 2 weeks for sample garments.

### RETURNS

All garments are made to order, therefore all sales are final. Please check order upon receipt. Any damaged products or garment must be claimed within 72 hours. Items will either be exchanged or repaired.

### CARE

All garments should be hand washed in cold water and laid flat to dry. Heat, deodorant and wear can cause some discoloration or loss of sequin, glitter, and metallic finish.

### SIZING

All garments are made to Dornink's standard measurements and some alterations may be needed. Each style fits differently depending on the chosen fabric. A sizing chart can be found at [www.dornink.com/showchoir](http://www.dornink.com/showchoir).
